

CCIM HONORS NEWEST DESIGNEES

On behalf of the Minnesota-Dakotas CCIM Chapter membership, I am proud to present the most recent graduating class of designees who passed their comprehensive exam this October in San Antonio, TX. These new CCIM designees have completed a very rigorous curriculum requiring more than 200 classroom hours of graduate courses offered by the Chicago-based CCIM Institute. To be eligible to take the final exam, each candidate must submit a personal resume of closed commercial real estate transactions exceeding \$5 million! CONGRATULATIONS TO OUR NEW DESIGNEES!
